The Project

A beautiful maisonette on the Athenian Riviera in Varkiza, defined by light, proportion, and understated luxury—just 250 meters from the shoreline in one of the area's most sought-after locations.

Arranged across the third and fourth floors, this 140 sqm residence opens to uninterrupted panoramic sea views, with interiors carefully oriented to maximize natural light and create a seamless sense of calm throughout.

Unique Location

The layout unfolds across three bedrooms, including a master suite with walk-in closet and en-suite bathroom, offering privacy and understated comfort. Living spaces are open yet composed, designed to support both everyday living and quiet moments of retreat.

Every element has been carefully considered—from the flow of space to the selection of materials—resulting in a home that feels both contemporary and enduring

Sophisticated Kitchen

Natural materials—oak, stone, and refined textures—create a calm and timeless atmosphere.

Quiet Living

A master suite designed for calm, comfort, and quiet luxury.

Natural materials, soft lighting, and refined detailing create a space of balance and understated elegance.

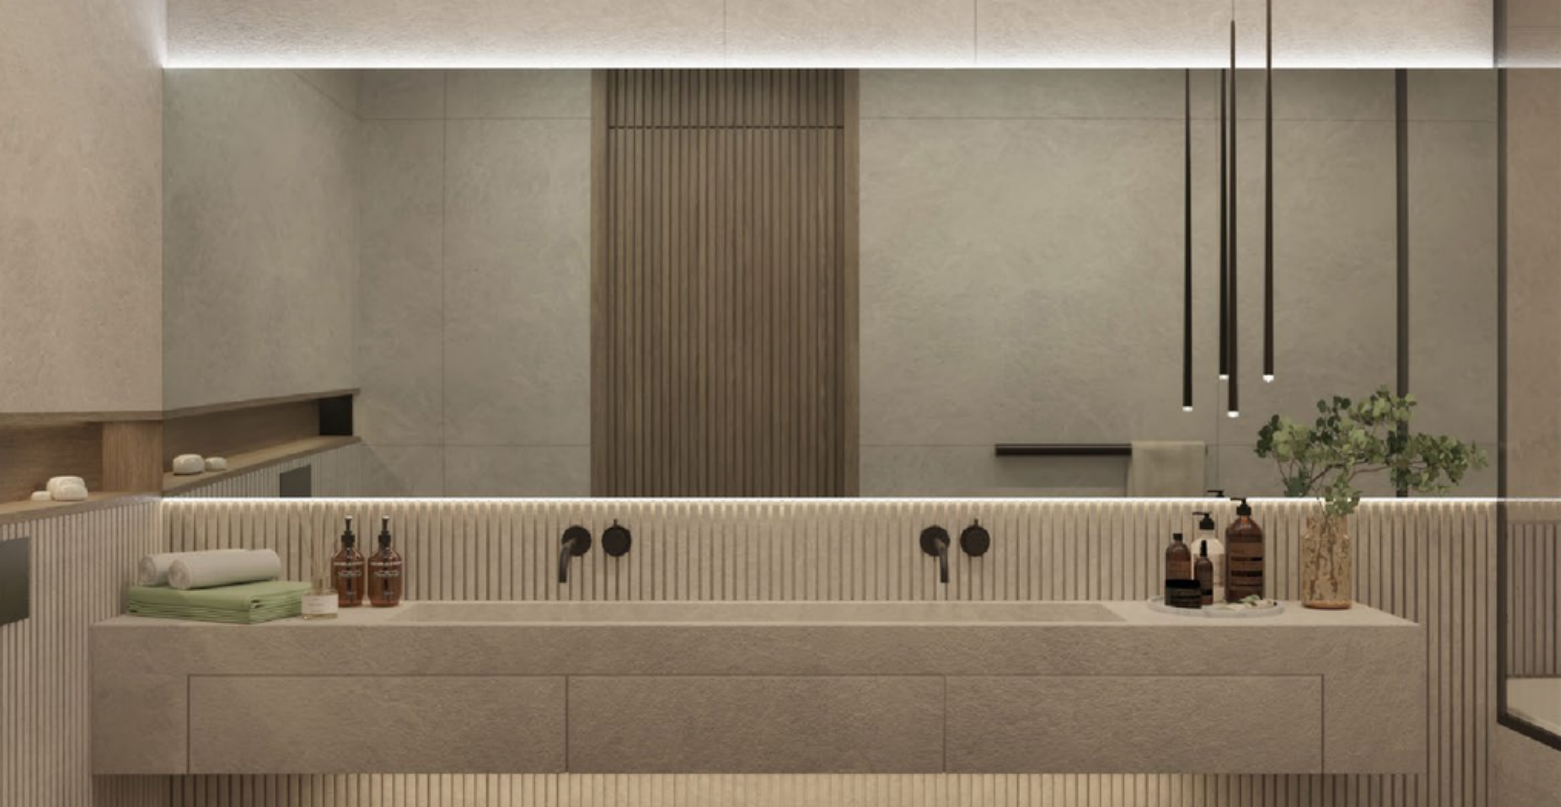

Effortless Lifestyle

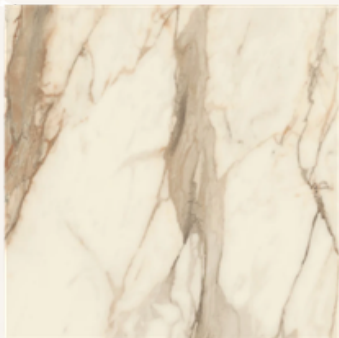

Warm wood textures blend seamlessly with refined marble finishes, creating a balanced atmosphere of sophistication and calm. Designed to feel both luxurious and welcoming, the space offers a timeless aesthetic with a soft, family-friendly warmth—an inviting home where style meets everyday living, just moments from the sea.

Modern Vibes

A sculptural composition of warm tones and refined materials, inspired by contemporary Mediterranean and Italian design.

**A residence shaped by light, designed for calm,
and defined by timeless living.**
